# REALTY BOOM MAY CONTINUE FOR YEARS

Proposed Public Buildings Expected to Prove Beneficial in Many Ways.

Movement of Real Estate to seek new nomes with the recet buildings. Transactions Still Northwestward-The Outlook

That the present season is the most opinion of local land brokers. From the existing conditions they feel confident that the present boom in realty will continue for several years.

Several years ago a building business of \$5,000,000 was about the limit. Last year the transactions figured up over \$11,000,000 and it is expected that this amount will be increased in the present year by about two and a half millions Last year it is said that nearly seventyfive per cent of the buildings erected in the District were built in the northwest section. It is said that the movement in real estate transactions is still in that direction.
